

# Formation: The Art & Science of How We Change (Vol. 2: Bible)

## Discussion Questions

### Week 4: How to Read Narrative

Read **Genesis 3:1-24** and work through the following questions as a group.

1. What is happening in this passage?
2. Where does this narrative fit in the larger story of Scripture?
3. What does the passage tell us about the nature and character of God?
4. What does this passage tell us about the nature and tendencies of humanity?
5. How does this passage point us to the person and work of Jesus?

(If there is time) Read **Luke 9:10-17**

6. What is happening in this passage?
7. Where does this narrative fit in the larger story of Scripture?
8. What does the passage tell us about the nature and character of God?
9. What does this passage tell us about the nature and tendencies of humanity?
10. How does this passage point us to the person and work of Jesus?
